

## PAID INTERNSHIP OPPORTUNITY @ Elint AI!

Are you passionate about AI, Data Engineering, or Data Science and eager to work on real-world projects?

♦ Elint AI is looking for bright minds to join us as Paid Interns! If you enjoy solving problems with data, building models, and optimizing pipelines — we want to hear from you!

### Who should apply?

- ✓ Students or fresh graduates interested in AI, Data Engineering, or Data Science
- ✓ Strong Python skills and hands-on experience with Pandas, NumPy, Scikit-learn, etc.
- ✓ Familiarity with SQL, cloud platforms (AWS, Azure, GCP), or Big Data tools (Spark, Hadoop) is a plus
- ✓ A curious mindset, eagerness to learn, and passion for building intelligent solutions
- ✓ Bonus: Experience with LangChain, LLMs, or Generative AI

### Why Elint AI?

- ✨ Hands-on experience with cutting-edge projects in AI, Data Engineering, and Data Science
- ✨ 1:1 mentorship from experienced professionals
- ✨ Paid internship with a collaborative and learning-focused environment
- ✨ Internship Duration: 3 to 6 months (with the possibility of full-time conversion)
- ✨ Opportunity to transition into a full-time role based on performance

### How to Apply?

📌 Send your resume + a short cover letter explaining why you're a great fit to:
